Title: Popplet Lite

Evaluators: Jadyn Brown & Tariane King

Questions	Yes	No	Comments/ Notes
Have you played enough to know every aspect? • Did you try things that were wrong and/or unexpected	X		
Did the software crash?		X	
Was the content appropriate? Did it meet the user's needs?	X		Yes this app allows you to build graphs and diagrams which teachers could use for their class to teach a lesson.
Were the screens appealing? • Color, items on screen, sounds ……	X		The screen color was only one specific color, but when you build your graph or whatever your making, you can change the color of it. There was no sound for this app because it's not really a game its more of a build type of app
Is it easy to navigate?	X		
Is it easy to learn?	X		

Evaluating Apps

Does the user need Supervision to use		X	There wasn't anything that popped up that would have to have supervision
If the App required a response, was it appropriate? (right or wrong)		X	This app didn't require a response
Were there bells and whistles? • If so, do they enhance instead of detract? • If not, should there be?		X	Since this app is helping students form graphs and build things it
Did you like using the App?	X		
What was the cost? • Was there a "lite" version o If so, was it enough	Free		This app was free to download
Were there in-app purchases? • If so, what were the additional costs?		X	There was a in-app purchase and it was the full version which is $4.99
How does it compare to other apps that do the same?		X	Neither of us have used an app like this, but we both agree that there should be more on here than it is.

Evaluating Apps

Additional Comments		X	

Developmentally Appropriate

Questions	Yes	No	Comments/ Notes
Child Development and Learning • Subject Matter appropriate? • Educational Focus? • Provides for Learning New Content? • Follows Appropriate Teaching Sequence?	X		This app is perfect for teachers to use to make diagrams for their students to teach lessons or to use for a project, and this app is great for students to use to do a project or brainstorm and use the different tools to come up with things. We do think it's a little difficult for elementary students
Individual • Does it match individual's abilities? • Does it meet individual's needs?	X		Each individual student can use this and start making popplets and use the different tools they have and build webs and diagrams.
Social/Cultural • Bias? • Commercialism Comments		X	No this app is not biased
