

## Ms. Baker 3<sup>rd</sup> Grade Classroom Wish List

The wish list below includes many of the items I wish to have in my classroom one day to help the 20 student in my classroom. My class is full of student from different backgrounds and diverse learners, all of the items on my list are to help them and their needs. I realize this list may not be practical but the items are all things that can help my students in one way or another to learn to the fullest potential. If you would like to make a donation of any kind, it is greatly appreciated.

- |  |                                      |
