

Acceptable Use Policy

For Mrs. Jessica's 1st Grade Class

Hello! Welcome to Mrs. Jessica's class! I am very happy that you can join us. Here in the class we want to create a safe and fun atmosphere. So that means that everyone must do their part and be responsible for following these simple steps to protect everyone including students, teachers, and parents.

DO:

DON'T:

Wash your hands before using any device	Don't Hurt or bully anyone that you might speak to while using the internet
Only use the internet at school for schoolwork and with my Teacher's permission	Don't take any device home unless given special permission to do so
Only play games on the internet that are educational and approved by my Teacher	Don't give out any of your personal or private information (name, address, passwords,...etc.)
Plug in my device when finished using it	Don't log in to anyone else's account other than your own
Be responsible and take care of the devices that we use	Don't eat or drink when near a computer or while using any device
Tell my Teacher if I see something that makes me scared or makes me uncomfortable while using the internet at school	Don't copy anyone else's work that you find while online and claim it is your own

CONSEQUENCES

Oopsies happen from time to time. It is nothing to worry about. But we all must be responsible for our own actions so that everyone is safe in the classroom.

1st offense: Must have a token for the treasure chest taken away and a verbal warning.

2nd offense: Token taken away, time taken off your computer/ipad time, and written warning (length of time is determined by the Teacher depending on the offense)

3rd Offense: Computer/ipad privileges may be revoked for the entire year depending on the offense and will also receive a discipline referral.

Everyone please do your part to keep this a great place to do great things!
