

Classroom Rules

1. Respect your classmates, yourself, your teacher, and all of their property at all times.
BULLYING WILL NOT BE TOLERATED
2. Be on time.
3. Always bring required materials to class.
4. Raise your hand before speaking.
5. Bring a positive attitude and have fun!

Technology Rules

1. There is a 15-minute time limit on usage of the technology for each assignment. Exceptions will be given out at my discrepancy.
2. After you are finished using any device, you will return it to the place from which you got it and place it on the charger.
3. Goofing off on the devices when you are supposed to be working will not be tolerated.
4. If a device breaks, make sure you tell me about it.
5. Treat the devices as if they are your own. Please be careful with them.

Internet Rules

1. DO NOT partake in cyberbullying.
2. DO NOT visit unapproved websites.
3. DO use educational websites.
4. DO NOT hesitate to ask me whether or not a website is okay to get information from.
5. DO NOT take the work of others and claim it to be your own.

Additional Information

Plagiarism- stealing someone else's work and claiming it as your own. It can also be failing to properly cite the creator of the information.

Copyright- media taken from the internet may or may not be under copyright, and if it is then students may not use this media.

Fair Use- claim that can be used in response to a copyright lawsuit.

Consequences for Breaking Rules

Any form of bullying will be handled immediately after recognition of the first offense.

Any form of cheating will also be handled immediately after recognition of the first offense.

All other rules will be under a three strike and you're out policy. After the third offense the student will be under the discretion of administration.
