

Alternate Ending Cartoon Mini Lesson

Grade Level

- 5th

Technology

- Toontastic 3D
- Padlet

Curriculum

- English-Alternate Endings

Students will work in groups of four with Toontastic 3D and Padlet to create a cartoon detailing an alternate ending to Trumpet of the Swans which we have read as a class.

Students will use Padlet to create a storyboard for their cartoon. They will be given a list of requirements. All cartoons need to be within 2-5 minutes.

Students will then work together using Toontastic 3D to create their cartoons. Once completed they will be viewed by the class.
