

DECEMBER NEWSLETTER

This Holiday season we will be completing many craft projects. Parents if you would send in some extra markers, construction paper, and water colored paint, it would be greatly appreciated.

At Hernando Elementary we pride ourselves on the impact we as a school make in our community. So this year we are encouraging students to be involved with the Christmas Box Project.

Students will fill a shoebox full of goodies for children in the area whose parents may not be able to financially give them everything they would like to for Christmas. Your child will be sent home with a list of ideas that can be included in the shoe box.

Ways to encourage your child to stay focused on Academics

As we near the end of the 2nd nine weeks, children tend to start to slack off on their school work. As teachers and parents we have to communicate with the child and make sure they understand that in just a few short months it will be state testing time and we want them to be prepared as possible. Make sure your child is keeping up with assignments, and getting enough sleep at night. If there is anything I can do to help, please email me at my school email listed on my website.

Things Parents Can Bring in for Christmas Party

1. Plates
2. Napkins
3. Brownies
4. Drinks
5. Forks

Please email me with what you plan to send in with your child, and let me know if you plan to attend.
