

HOMECOMING WEEK NEWSLETTER

This coming up week is Homecoming week! We will be celebrating by having daily activities.

Students are encouraged to dress up according to the daily dress guide listed at the bottom of the newsletter.

The Importance of Homecoming Week

Homecoming brings the community together to celebrate former and current students. Alumni come back to reminisce on the memories made at the school and to see how much has changed.

**Every day this week students will have the opportunity to have their picture taken so that they can be featured in the school year book. **

As a class we will be competing in daily competitions against other classes in the school. The winning class will get a pizza party at the end of the week. The daily competitions will be explained in a flyer attached to this newsletter. Parents we encourage you to help with activities in any way you can. Please feel free to contact me at my school email for any questions regarding this week's events.
