

# Who Has the Most M&M's?

## FIRST GRADE M&M COMPETITION

The first grade classes are showing off their grouping, counting, and graphing skills by competing to see who has the most M&M's! We will be taking the time to make graphs on spreadsheets that we will display on Friday April 12<sup>th</sup>! Stay tuned to see who wins this competition!

The winner of the first grade classes gets a pizza party! So this is a big deal, were taking this counting very seriously! Help cheer us on and root for the class you think will have the most!

### Classes Competing:

Ms. Akridge's Class

Ms. Smith's Class

Mr. William's Class
