

Title: Disney Jigsaw

Version: 6.4

Publisher: Disney

Target: The targeted age group for this app is 4 years old and up. This app is actually really good for all ages. It can go from a 6 piece puzzle to 200 pieces.

Curriculum: This app is more for fun, however figuring out puzzles is a form of coding.

Environment: This app could be used inside or outside of the classroom. It would be great for both, this is an app you can share with parents as a fun game that helps them.

Cost: This app has in app purchases the Super Pack 5 is \$19.99

Description of Software: as soon as you open up the app it is full of many amazing things that catch my eyes. When you click the puzzle you want it gives you the choice to pick from a 6 piece to a 200 piece. So its very much suited for all ages.

Impression of Software: My impression of the app is good because of how great and really bright the previews are. Its easy to see how fun it is, and how easy it is to use. This website is not necessarily educational but it is fun and learning as well.

Pass: This software passes the education software evaluation form because it allows easy access to all aspects to have fun and playing it.
