

**Grade:** First Grade

**Topic:** Writing/Reading

**Technologies:** Popplet & PowerPoint

**Synopsis:** The students will be in groups of 5 and they will go on popplet and create a web. This will be like an outline for the book they are going to write in their groups. After they complete the outline they will go to PowerPoint and create a book with a minimum of 5 pages. This book will have at least one picture and one sentence or word on each page. I will show them some examples of ones that I have made before they start. They will then read their book to the class when they are done.
