Class Announcements:

- If you would like to send cupcakes for your child's birthday, please let me know at least a week ahead of time so that I may plan accordingly.
- Student of the month assemblies will be held on April 8th.
- Keep collecting trash for our Earth Day project and bring it to class every chance you get.
- Remember we have our unit test over Human Impacts on Friday, April 17th. Study, study, study!!!
- ACT Aspire testing for 6th grade is April 28th, 29th, and 30th. Please make sure your child is well rested and has eaten a nutritious breakfast.

Students of the Month:

Two students have been recognized this month for their good deeds and friendly personalities.

These students are Anthony M. and Lillie C. They will be awarded during the student of the month assemblies held on April 8th. Parents are welcome to attend.

Earth Day:

Earth Day is April 22nd. We will be celebrating it by collecting all the trash between each school to see which school uses the most trash. Students will create a spreadsheet for the data. After making the spreadsheet, each student will work together in creating a mural out of the trash that is recyclable. How fun!!

Fun Fact for April:

Every day, American businesses generate enough paper to circle the Earth 20 times!
