

# Mrs. Anderson's May Newsletter

## Class Announcements:

- All tests and late work should be made up by May 4th. Final grades are due in the computer by May 11th.
- Tuesday, May 12th is Pajama day. Wear your most comfy P.J.s to watch a movie in. I will provide popcorn and water for the class.
- Thursday, May 14, we will take a field trip to the Delta School to tour their greenhouse garden. Students' permission slips must be signed by May 13th to be able to go.
- Report cards will be mailed on May 18th.
- May 22nd is the last day of school! Thanks for a great year!

## May Birthdays:

- Lillie C. - May 3rd
- Jackson W. - May 16th
- Kevin Y. - May 20th
- Dylan G. - May 21st

## Mother's Day Flowers:

Our students have been growing Sunflowers for the past few months as their last project for Science class to give to their moms on Mother's Day. We will be monitoring how much sunlight, water, and nutrients we give each Sunflower. When they are done growing, we will measure to see which student grew the tallest Sunflower.

Students that have not turned in permission slips for the field trip to the Delta School:

Jackson W.	Alex H.
Layne A.	Chelsea G.
Sabrina W.	Tavia B.
Kevin Y.	Alexis B.
Molly M.	Jamal C.

## Fun Fact for May:

A Sunflower needs at least six to eight hours of direct sunlight, if not more, to reach its maximum potential.
