Have you played enough to know every aspect? • Did you try things that were wrong and/or unexpected		X	Can't because the free version has next to none as far as aspects of the app
Did the software crash?		X	
Was the content appropriate? Did it meet the user's needs?		X	
Were the screens appealing? • Color, items on screen, sounds ……		X	The free version offered very little customization.
Is it easy to navigate?		X	
Is it easy to learn?		X	Especially for younger people
Does the user need Supervision to use		X	I see many questions being asked.
If the App required a response, was it appropriate? (right or wrong)			
Were there bells and whistles? • If so, do they enhance instead of detract? • If not, should there be?		X	Not really. It was pretty much straight forward
Did you like using the App?		X	Not useful in lite version
What was the cost? • Was there a "lite" version ○ If so, was it enough			There is a lite version, but it was not very helpful. $99.99 a year or $12.99 a month
Were there in-app purchases? • If so, what were the additional costs?			Not sure since you have to buy the full version to look at everything

How does it compare to other apps that do the same?			I feel it is not very effective. There are apps out there that do this same thing that are free to use and offer assistance on how to use it.
Additional Comments			Very bad app that should not cost money to use. Not very helpful in the lite version at all.
