

2019-2020 Technology Acceptable Use Policy

1. The internet and computers at school are only used for school work.
2. I will not use the computer for social media or games not authorized.
3. I will not share my passwords with anyone else or ask them for theirs.
4. I will not upload any photos of myself or anyone else without permission.
5. If I bring an electronic device from home, I am solely responsible for it.
6. My teacher may check my progress on the computer at any time.
7. I understand that if I break any of these rules, there will be consequences.
8. These rules are to keep this a learning environment and to keep me safe.
