

Grade: 1st

Curriculum: English-Story telling and parts of a book.

Technologies: iPads, Kahoot!

In this lesson that students use iPads to first participate in a Kahoot! game made by the teacher reviewing a book the class just finished reading and the parts of a book. Then, students will create their own kahoot for the class to play to review their favorite book. Students should also include questions on the parts of their book (author, illustrator, title, etc.)
