

Branches of Government

Communicate your understanding of the three branches of U.S. government using symbols and text. Add subtopics to expand your thinking and make connections between ideas, using notes to add detail. To develop your document into writing, switch to Outline View. To create a presentation, finish your work using the Presentation Manager.

Teacher's Note  
This is something that I would expect in response to what the students answered for the Responsibilities, Members and Checks and Balances in the whole group activity
