## Helpful Tips:

Practice counting by 2s, 5s, and 10s with your child at home. You can practice this with cereal, skittles, and pennies.

Some fun websites we use in class are: [Starfall.com](http://Starfall.com) and [knowledgeadventure.com](http://knowledgeadventure.com)

Please check the Remind app for the link to the song you child will be singing in the Christmas program. I encourage you practice this song at home with your child.
