He pulled out the box of decoration and **ornaments** from th

Upon unpacking the box, he discovered that his **stocking** was missing.

He searched under the **tree** and in closets.

He unpacked the **wreath**, and the stocking was not there either.

Oh where could his stocking be? He was sad.

Dakota decided he would ask **Santa** for a new stocking.

The only **present** Dakota would ask for is a new stocking to replace the one he lost.

During the holidays, Dakota's favorite treats were **eggnog**, **cocoa**, and **cookies**.

He also liked making **snow angels** and looking at Christmas **lights**.

Dakota loved everything about Christmas.

He even enjoyed Christmas crafts like making **bows** with **holly** and **ribbon**.

After all, Christmas is his favorite holiday.

From the star on top of the tree, to the spirit the holidays bring, Christmas brings joy to all.

This year, Dakota is happy just to have a new stocking.
