

Mrs. Kristen's April Newsletter

What's happening?

Spring has sprung in IES and we may be going outside for short walks to look for it... So please be sure to hang coats on their coat racks each morning.

There will be new songs that will be sung and exciting new adventures to have. We have loads planned for the month to come. Parents are encouraged to participate in upcoming events that will be posted with times and dates.

Easter is almost here, and we would like to celebrate with some activities.

This includes decorating eggs and making cute chick shapes. There will be endless fun.

Sight Words

- before
- know
- how
- which
- every
