Additional Information

We take all rules extremely serious in the classroom. Some additional things we have a zero tolerance are...

Plagiarism:

Taking someone else's work and saying it's your own.

Copy Right:

When using a piece of work or A photo without having permission from the owner.

I hope all expectations were clear! It is imperative to me, that each student/parent understands these rules and abides by them. All of these rules were made for the safety of yourself (or your child). I truly hope to have a wonderful year and look forward to getting to know you all better!
