Title: SlideShow Video Maker

Evaluators: Michaela Moore, Kayla Ward, Carinna Coletti

Questions	Yes	No	Comments/ Notes
Have you played enough to know every aspect? ● Did you try things that were wrong and/or unexpected	X		"This seems like a very good app for a child with special needs who can not necessarily make a movie or do things that are more complicated than this app" - Michaela
Did the software crash?		X	
Was the content appropriate? Did it meet the user's needs?	X		"I think this would be a very good app for 2nd graders or any student in higher grades that have some special needs and need some extra help since you are making a movie with pictures." - Carinna
Were the screens appealing? ● Color, items on screen, sounds ……	X		"It is really simple style. It does not have a lot of distracting things to confuse the student." - Kayla "You can add music to your movie your own voice" - Michaela
Is it easy to navigate?	X		"Yes. There are not to many things on it besides adding pictures, transitions, duration, and music" - Kayla
Is it easy to learn?	X		"The students would quickly figure out how to use this." - Carinna
Does the user need Supervision to use		X	"They might at the beginning but after that they could make as many videos as they wanted any time they wanted." - Michalea
If the App required a response, was it appropriate? (right or wrong)			
Were there bells and whistles? ● If so, do they enhance instead of detract? ● If not, should there be?	X		"It was nice that the kids could add their own music" - Kayla
Did you like using the App?	X		"I thought it was simply and easy and a nice tool to to add to a classroom" - Carinna

What was the cost? ● Was there a "lite" version ○ If so, was it enough		X	"It was free to get. You could add as many pictures as you wanted and use any music that you already had" - Michaela
Were there in-app purchases? ● If so, what were the additional costs?	X		"You could buy more than the one transitions and you had to use your already bought music" - Kayla
How does it compare to other apps that do the same?			"It is definitely easier than other apps I have seen, but I feel like it is important to have a different variety of levels." - Kayla
Additional Comments			

Developmentally Appropriate

Questions	Yes	No	Comments/ Notes
Child Development and Learning ● Subject Matter appropriate? ● Educational Focus? ● Provides for Learning New Content? ● Follows Appropriate Teaching Sequence?			"You can take this and use it for any kind of lesson you want to give. I do not feel as if they will be learning anything new because of the set up of the app." - Michaela
Individual ● Does it match individual's abilities? ● Does it meet individual's needs?			"It is great for different levels of children. It would be good to let younger children learn how to use apps like this or special needs children." - Carinna
Social/Cultural ● Bias? ● Commercialism Comments			"The game allows you to create what your character looks like, name, etc." -Kayla
