Mini Lessons

- Kahoot “Quiz”
  - 1.) Grade 5
  - 2.) RI.5.2 Examine a grade-appropriate informational text.
    - Provide a summary.
    - Determine the main idea of a text and explain how it is supported by key details.
  - 3.) Smartboard and iPads

4.) Synopsis: We will have previous read, discussed and had assignments over an information text the past few days. I will make a Kahoot quiz that the children will join using their iPads. I will post the questions of the information text on the Smartboard and the students will have to answer as quickly as they can. The one with the most correct answers, and fastest if needed be, will get two extra bonus points on the test tomorrow.
