

Hello to all Parents/Guardians,

I would like to say we will have a fun and exciting year of learning. But before we can start, I need each parent to create an Acceptable Use Policy with their child to keep at home. An acceptable use policy is an agreement between the parent and child of an understanding of expectations for the school year. A set of ground rules about school work for the student to follow at home. I will attach a link of an easy to use template.

Please do not be hesitant to call or email me with any questions you may have.

Thank you so much for your cooperation and support.
