Dear Parents,

Merry Christmas! I hope this Christmas and upcoming New Year will be wonderful and fulfilling! Now, as far as the 2 weeks we have will off, let us start **2021** with a **BANG!!!**

The first grade will start with a fun activity of recognizing different snowflakes shapes. Students will print, fold, and cut to make colorful snowflakes. We will begin in a creative blizzard setting with making marshmallow cocoa, by using tissue paper and cotton balls. These activities will help observe their fine motor skills.

What are we learning?

Reading: The importance of recognizing long "e" sound and punctuation.

Writing: A Short story, Storytelling, recognizing character, main idea, setting and the ending.

Math: tens and one's place, number bonds and number sentences
