

# Ms. Jennings' First Grade Class

Dear Parents/Guardians,

I can already tell this is going to be a great year! In order to have a fun and safe year, I have made a list of classroom rules and consequences. It is very important to not only read over them yourself but to make sure your child knows the rules and consequences as well. After reading and reviewing it with your child, please provide your signature along with your child's signature on the provided lines and return to school.

Ms. Jennings
