***Plagiarism** is a form of cheating and will not be tolerated in the classroom. Plagiarism is stealing another person's ideas or writing and using them as your own. This is not something we will do as we will come up with our own, personal ideas.

*Students will follow all **copyright laws**, as it is unacceptable to steal someone else's work. Copyright is a legal right given to a person, so they are able to publish their personal work.

***The Fair Use Policy** is a law that allows others to use CERTAIN copyrighted materials for educational purposes.
