

Dear Parents/Guardians,

Below I have created a template if you would like to carry some of my classroom rules home with you, or even create some of your own! I think it is very important for children to be informed of rules in the classroom as well as at home. This is by no means mandatory, but it is encouraged. In order for this template to relate to the one for my classroom, I added a signature portion at the end, so it is documented that the child is aware of the expectations and consequences. I hope your family finds this useful!
