Explain Everything Whiteboard |
Version	**5.5.12**
Publisher or Producer	**Explain Everything sp. Z o.o.**
Target Audience	4+
Types of Software with your Justification	This app could be utilized for several of the different softwares. It could be used to drill and practice and problem solving for students since you can create your own projects. Students could also utilize the app to create their own projects to use in the classroom with other students. It could also be considered a tool since you are creating specific projects.

Curriculum	This app could be used for anything in the classroom depending on how you utilize it.
Cost	**Free Trial - 7 days - $6.99/mo** **Free Trial - 30 days - $69.99/yr**
Description of the Software	This app can be used to view or create several different projects. Upon opening the app you can click on new which gives you three options - blank canvas, templates, or files where you can upload your own documents, images, or already created projects.
Impression of the Software	This app is so much fun to use creating your projects but the fact that you can add in video and recordings is extra cool.
Pass APPS	This app passes except for the cost. It is easy to navigate and learn, is visually appealing, and appropriate for the age level. The cost may be okay for some people and wouldn't be terrible if a school was utilizing it, however on a personal level that price is too much monthly.
