Title	Magisto Video Editor
Version	5.3.8
Publisher or Producer	Vimeo, Inc
Target Audience	E for Everyone
Types of Software with your Justification	Magisto app is a tool that is used to create videos. It can enhance one's social media as well.
Curriculum	We think this could be adapted to high level students. Teachers could create a lesson that involves students to create a movie based upon a certain subject; such as historical, art, or even science concepts. This allows students creative expression along with an educational aspect.

Cost	$29.99 a month
Description of the Software	Magisto uses an algorithm to pull pictures and create a short video. Furthemore, this intelligence can pull the most attractive techniques to add to the video created. This app can be used in a business sense or personal. The user can also control the design, media, and music when creating a video.
Impression of the Software	This app seems like a lot of fun when it comes to enhancing pictures and creating videos. The app seems easy to navigate. One area of improvement could be more animation and music options.
Pass APPS	The app passes the test since it is easy to navigate and user friendly. Creating vivid photos and movies is a plus. It is a little pricey for the amount of music and editing options.

Title: Magisto Video Editor

Evaluators: Lindsay Lewis and Megan Scott
