

March Newsletter

Classroom Student of the Month

The March classroom student of the month is Allie Graham. Allie has done exceptional work on all of her assignments, great behavior, and helps her peers.

March Birthdays

Happy birthday to these wonderful students! The students who have birthdays this month are:

- Stacy B. (March 14th)
- Grant F. (March 20th)
- Hayley K. (March 26th)

Upcoming Events

Dates	Events
March 8th	Spelling Test
March 14th	Math Quiz
March 15th	Outside Play Day
March 18th-22nd	Spring Break (No School!)
March 27th	Field Trip to Aquarium

Recycling Project

We will be doing a project this month. The kids will be having a competitive recycling collection project. I would love for you to help your child(ren) collect as much of the following as possible. This would help us not only help the environment but also to teach the children about comparing data.

- Empty plastic bottles
- Empty cans
- Paper
- Cardboard
- Empty cartons (milk, orange juice, etc.)

March Books of the Month

1. "The Luckiest St. Patrick's Day Ever!" by Teddy Slater
2. "How to Catch a Leprechaun" by Adam Wallace
3. "Recycling Day" by Edward Miller
4. "10 Things I Can Do to Help My World" by Melanie Walsh
