

Beginning quote:

“There is no scarcity of opportunity to make a living at what you love; there’s only scarcity of resolve to make it happen.” — Wayne Dyer

My Hopes and Dreams:

- Thought that I wanted to be a lawyer
- Thought that I wanted to be a pharmacist
- I actually wanted to be a teacher the whole time
- Hope to be the best teacher I can possibly be.

Background information:

- Where I was born
- Where I live
- My family
- Pet
- Scholarship
- Honors

How to Use Technology with Students:

- Children are born knowing technology
- Use games to learn
- Videos to teach some concepts (such as science)
- Use music to focus/calm students

How to Use Technology for Professional Development:

- Use technology via email to communicate with parents and staff.
- Use online articles to enhance my knowledge of topics and teaching.
- To help me create lesson plans.
- To better myself as a lifelong learner and educator.
- To research new/better ways that students learn.

My Philosophy:

- Children learn better from one another than an adult
- Motivation to learn is a big factor in a child’s academic success
- Children should be supported by all adults they come into contact with
- Inclusive classrooms are the best
- No one person is better than another

End Quote:

“You are enough just as you are.” – Meghan Markle
