Additional Information

1. Plagiarism is using someone else's work but claiming it as your own. This is a form of cheating and will result in consequences.
2. Copyright allows the original creator to have control over their books, pictures, games, movies, etc. We cannot use their works without their permission.
3. Fair Use allows us to have limited use of Copyrighted works without obtaining permission from the original creator under certain circumstances, like for teaching.
4. All rules listed above are subject to change based on state, district, school or classroom policy as well as behavior.

Faulk Elementary

Classroom Consequences

- 1. Bullying and/or cyberbullying will not be tolerated under any circumstances! It will result in immediate termination of all activities, a phone call to the grownup, a severe write up and a trip to the principal's office.**
- 2. Cheating will not be tolerated under any circumstances! It will result in immediate termination of all activities, a phone call to the grownup, a write up and a zero on the assignment. Multiple instances will result in all of the preceding consequences plus a trip to the principal's office.**
- 3. There is a 3-step process to the classroom consequences.**
 - a. Three marks equal a write up. There will be a warning provided before each mark.**
 - b. Three write ups equal a trip to the principal's office. Each write up will be accompanied by a note and phone call to the grownup.**
- 4. ClassDojo is used as positive and negative reinforcement. Points will be given for good behavior, such as working quietly, participation and helping others. Points will be taken away for inappropriate behavior, such as talking during instruction, playing in the hall and fighting.**
- 5. Consequences are subject to change based on the student's overall behavior. Students will be provided the benefit of the doubt at all costs and all efforts and alternatives will be exhausted before consequences are given.**
