First, I would like to welcome you to 1st grade! I am looking forward to meeting you and working as a team to make this year successful. We will be learning lots of new content while having tons of FUN along the way. This first week we will be focusing on classroom, technology, and internet rules. I will also be enforcing consequences if a child breaks a rule and have included them below. The rules are created to establish a safe and productive learning environment. Please go through the rules with your child and sign each section to show you have read and understand the document. I would like all completed forms to be turned in by Tuesday, January 29th.

Consequences:

First Offense: I will give the child a warning, so they are aware of what rule they are breaking and allow a chance for them to correct their actions.

Second Offense: They will lose afternoon recess.

Third Offense: I will contact the parents/guardians of the child to make them aware of their child's behavior. The child will also be sent to the principal's office.

Additional Information:

Plagiarism: This is taking someone else's ideas and using them as your own. When copying and pasting, be sure to site where it came to avoid this. This includes both text and pictures! This is a BIG no in my classroom and will not be tolerated.

Copyright: This means the owner of the work gets to decide who can use their work. If someone wants to copy their work, they MUST get permission from the owner.

Fair Use: This is a law that permits limited use of copyrighted material.

By signing below, you are indicating you understand the rules and will abide by them. Failure to abide by the rules, will result in a consequence. I understand your children are young, but they will be learning they are accountable for their actions in my classroom. All the rules have been created for a reason, but if you have any questions, comments, or concerns feel free to email me at megan.adams2@smail.astate.edu. I look forward to a great year!
