

Dear Parents/Guardians,

I am so excited to be working with you this year! In my classroom, we have an acceptable use policy (AUP) to allow students to know what is expected of them. I have made a similar template for you to implement in your home, should you choose to use it. It is by no means mandatory, but I do encourage it. The purpose of the AUP is to make rules and then sit down with your child and go over the house rules and consequences for breaking them. This way your child will know what is always expected of them and be held accountable for their actions. I recommend you hang it on your fridge or somewhere your child will pass often, so your child will see it and be reminded of how they are supposed to behave. I hope this benefits your family and you have success with it! Please feel free to reach out to me if you have any additional questions, comments, or concerns. 😊

Sincerely,

Ms. Adams
