

COIN DRIVE

Adams Elementary is going to kick off the Back to School Celebration with some friendly competition.

We will use this opportunity to practice our math skills and count the coins we collect.

Please send any spare change to help our class win! The winning class will be allowed to watch a movie at the end of the day. They will also receive popcorn and the option to wear their pajamas on the designated day.

Our class goal is to raise \$85. The drive does not end until August 23rd!
