Monthly Theme

This month our theme will be, "Giving."

Canned Food Drive

This year all of our canned foods will be going to the Hope House. We will be accepting all non-perishable items in this drive. It is important to give back to our community. The homeroom that brings the most cans, will be able to bring a snack and a drink for their enrichment class.

Fall Festival

Our fall festival will consist of turkey and dressing for lunch and pumpkin pie for dessert. Between both lunches everyone will gather outside because our principles have agreed to be pie'd in the face by 2 students who have had perfect attendance all year so far!
