

Grade Level/Audience: Kindergarten

Curriculum Topic: Language Arts

Tools: BrainPop Jr.

Synopsis: With BrainPop Jr. students can watch a video and take a quiz about what they have learned. The teacher will play the ABC word play lesson on the smartboard for the students to watch. After the lesson, I will have objects in different bins on the desks for the students to work in as groups. The students will have to work together to put the objects in alphabetical order. The teacher will also print off the ABC quiz from the BrainPop Jr. and have the students complete it in their groups.
