Miss Maddie's Class Wish List
5th Grade Math

Technology Items:

1. Printer/Scanner - these are great to have on hand in the classroom so nobody has to run anywhere to print!
2. Laminator
3. Projector
4. Apple TV - so students can work on things from their school IPads and we can share them with the whole class!
5. Classroom IPADs - We can do fun interactive activities on these!
6. Canon Camera - to keep memories from the school year!
7. Classroom set of TI-84 Calculators - these are great for graphing! (22)

Classroom Neccessities:

1. Pencil Sharpener
2. Colored Sticky Notes
3. Colored Markers
4. Crayons - crayola please!!
5. Pens/Highlighters - red and black pens and yellow highlighters!
6. Tape
7. Bean Bags - 4 or 5 would be great to put in a reading station! Colorful!!!

8. Masks - always need backups!
9. Command Hooks
10. Any fictional math books for students ages 12-14!

<mark>Cleaning Supplies:</mark>

1. Clorox Wipes
2. Tissues
3. Hand Sanitizer
4. Hand Soap
5. Lysol

(Any cleaning supplies are great but these are what we use the most!)

I know some of these things may not be realistic but these would be great additions to my classroom, any donation would be great!
