1. Grade/ audience: 1st
2. Cyber Bullying
3. Storybird and The Technology Tail book

Our class will read The Technology Tail, a book about a girl that was cyber bullied. We will have a class discussion about how any type of bullying is hurtful and what cyberbullying is precisely. Then we will break a part to work individually on the ipad, we will use the storybird website to create a story about a student being cyberbullied, how it made them feel and how they were helped to have a happy ending.
