**2018-2019**  
**ACCEPTABLE Use Policy**

Hello parents and students!

My name is Ms. Mariah, and welcome to my 3<sup>rd</sup> grade classroom! I am so excited for this school year! Today, we discussed some rules and policies that we will be implementing in our classroom. Our school has decided to incorporate technology into our classrooms! How exciting! We will be allowing students to participate in online activities and assignments using school issued laptops and iPads. While I do understand that everyone is just as excited as I am to use the new technology, we also need to understand how you are expected to behave while in my classroom, and while using our school's property. Below I have included three sets of rules that students are expected to follow throughout this school year. On the bottom of each page, you will find a place for signatures. Please sign each copy and return it to me no later than a week after the first day of class! It is going to be a fantastic year, and I am so ready to learn with you guys! If you have any questions, please do not hesitate to email me!

Thank you!
