### **Special Events**

We will be hosting our classroom Fall Festival on November 16. This festival is open to all parents! I will be sending home a form to fill out for each student. This is also a sign up sheet for the food that you would like to provide for the classroom. We will also be doing some fall themed projects with the students, and we would love for you guys to come celebrate with us! School will release at 1 pm on this day.

### **Books We Are Reading**

*In the Middle of Fall* by K. Henkens  
*Pumpkin Jack* by Will Hubbell  
*How to Catch a Turkey* by A. Wallace

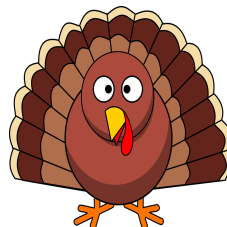

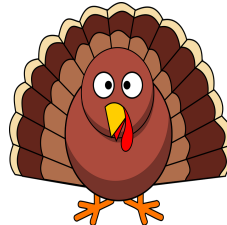

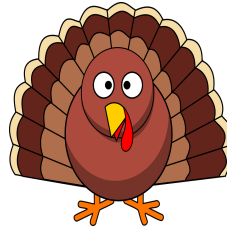

### **Thirty Days of Thanks**

I will be providing composition notebooks to each student for the month of November. We will be making our "Thirty Days of Thanks" journals. I strongly urge your child to write in the journals at home, as well as at school. There will be a journal entry for each day of the month of November. We will be having a Parent's Day at the beginning of December for the children to share their journals with the parents!
