

WHO'S AT THE ZOO?

By: Ms. Mariah's 3rd Grade Class

2018-2019

Today, we went
on a trip to the
Memphis Zoo.

While we were
there, we saw
all of our
favorite
animals!

BY: MS. MARIAH

My favorite animal at the zoo is the hippo!

Did you know that these cute animals are actually one of the most dangerous in Africa?

They can live on land and in the water, but water is their favorite place to be!

BY: MS. MARIAH

My favorite animal
at the zoo is the lion!

Did you know that
lions are the second
largest cat in the
whole world?

They live in
grasslands!

BY: ANNA

My favorite animals at the zoo are the penguins!

Did you know that not all penguins have to live in the cold?

Some penguins, like the African penguins, are comfortable living in warmer weather!

BY: ADAM

My favorite animal
at the zoo is the
lemur!

Did you know that a
baby lemur only
weighs 3 ounces?

That's only as heavy
as a deck of cards!

BY: JACKSON

My favorite animal at the zoo is the panda!

Did you know that pandas cannot reproduce until they are 4-8 years old?

This, along with other things, make the panda population low.

BY: DUSTIN

My favorite animal at
the zoo is the
elephant!

Did you know that the
elephant is the largest
land mammal?

On average, they
weigh 6,600 pounds!
That's huge!

BY: BRAXTON

My favorite animal
at the zoo is the
giraffe!

Did you know that
giraffes can be 18
feet tall?

They are the tallest
mammal in the
world!

BY: GABBY

My favorite animal
at the zoo is the
polar bear!

Did you know that
polar bears can live
to be 25 years old?

That is almost as old
as my mom and
dad!

BY: LOUIS

My favorite animal
at the zoo is the
tiger!

Did you know that
tigers are the largest
cat in the whole
world?

They can weigh up
to 700 pounds!

BY: MACEY

My favorite animal
at the zoo is the
zebra!

Did you know that
zebras can run 35
miles per hour?

They also have really
good eye sight and
hearing, helping
them avoid
predators.

BY: HAYLEY

My favorite animal
at the zoo is the
ostrich!

Did you know that
ostriches can grow
up to 8 feet tall and
weight over 300
pounds?

That makes them
the largest bird in
the whole world!

BY: NATALIE

My favorite animal
at the zoo is the
koala!

Did you know that a
baby koala is called
a joey?

When they are born,
they are only 2
inches long!

BY: MAGGIE

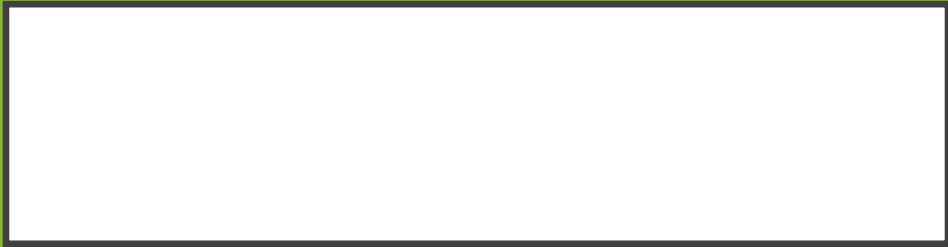

My favorite animal at the zoo is the wolf!

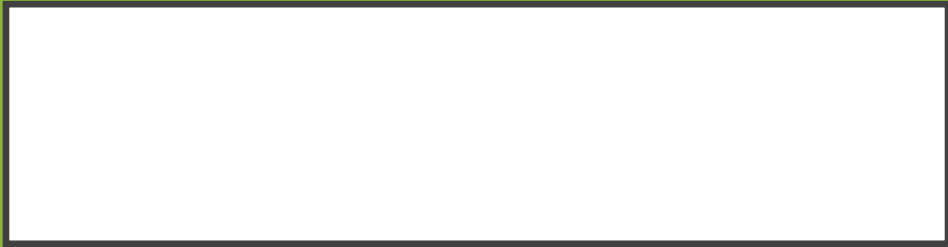

Did you know that there are many different colors of wolves?

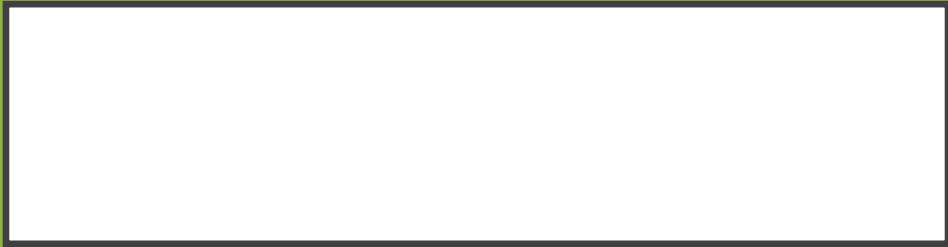

There are wolves that are grey, white, black, and even brown!
