

# Coin Drive

For the month of February, all 2<sup>nd</sup> grade classes will be raising money for St. Jude Research Hospital through a coin drive. Students are asked to bring coins each week throughout February.

As we raise money for a philanthropic cause, we will also be practicing addition and subtraction within 100.

Please bring pennies, nickels, dimes, and quarters from February 1<sup>st</sup>- February 25<sup>th</sup>.

The class that collects the most money with coins will receive a pizza party!
