

Recycling Lesson Plan- PowerPoint & Padlet

Grade Level/ Audience: 1st Grade

Curriculum Topic: Recycling

Tools: PowerPoint & Padlet

Student Formation: Student will sit on the rug while I go through the PowerPoint. While creating a padlet board students will work in groups of four at a table. Each group will need an iPad.

Synopsis: Students will start on the carpet and listen as a present a PowerPoint lesson about recycling. Student will then break into groups and create a padlet board on ways to recycle.
