

## **Mini Lesson Idea 2: Working with Time and Money**

**Grade Level:** 2

**Curriculum:** Math

**Tools:** iPad, Osmo Pizza Co

**Technology 1:** Osmo Pizza Co

**Technology 2:** Splash Math

**Teaching Method:** Individual and partner

**Synopsis:** I will give a lesson over time and money. Students will know the value of money and understand time management. Students will be provided a handout with monetary values and how to tell time. Hints will be provided on the sheet as well. Students will further their understanding with Splash Math. The students will then partner up and play Osmo Pizza Co with a partner to encourage collaboration.
