

Mini Lesson 4: EBook & BrainPOP

1) **Grade Level:** 3rd

2) **Curriculum Topic:**

AR.C.2.3.1

Investigate origins of state and national symbols, patriotic songs, and mottos.

3) **Tools:**

The tools that I will incorporate into this mini lesson are EBook and BrainPOP

4) **Synopsis:**

This lesson will incorporate the EBook I had previously made and used in a different lesson over the National Symbols and mottos of the United States. As a class, we will go over the EBook together as a reminder of the national symbols and mottos of the united states. I will then ask the students to open up the BrainPOP app. There are games and quizzes over different topics as well as facts on the united states. The students will first play the games on the app. After they have played the games required, they will complete the BrainPOP quizzes over these national

symbols. They will turn in their score to me after they complete the quiz.
