Science Fair Ideas:	https://www.education.com/science-fair/
*Please select third grade.	*Do not experiment with projects that require heat.
*Make sure that you are not doing a project that a friend is doing.	*Follow the steps to complete a science experiment.
*Write a short reflection over your project.	*Wear safety equipment when performing your experiment.
*Remember to have FUN!	*Projects are due by August 31
