

### **Mini Lesson: 3**

**Grade Level:** Third Grade

**Curriculum Topic:** C.2.3.1- Investigate origins of state and national symbols, patriotic songs, and mottos play in fostering citizenship.

**Tools:** Students will play Kahoot! to review for their quiz on state and national symbols. I will use YouTube to provide background knowledge about the origins of state and national symbols, patriotic songs and mottos.

**Synopsis:** For the introduction, students will watch a YouTube video giving information about origins of each state, the national symbols, patriotic songs, and mottos. For the instruction, since this is so much information, this will be broken down throughout a week or two. For this particular portion of the lesson, students will review the YouTube portion of the video that shows the state symbols and the national symbols. A PowerPoint will be provided to further show the different state and national symbols. Also, the students will be provided with a paper with the state and national symbols to help them study. For the conclusion, students will play a review game Kahoot! to help them gain more practice on state and national symbols. The student that come in first place will be exempt from the quiz. The student in second place will receive five bonus points on their quiz. The student in third place will receive three bonus points on their quiz.
