

Targeted Grade Level: Second Grade

Subject(s) Focused On: Reading

Tools Used: eBook (PowerPoint) & Padlet

Synopsis: For this class activity, the teacher will present an eBook to the class that was made on power point. The book will be focused on whatever the topic is that particular week. Then the students will create a Padlet online that goes along with the eBook that was read to them. They will insert things like websites that address what the topic of the book was and possibly a quiz regarding the book. Then students will be able to go onto other students' Padlets to explore and increase their knowledge.
