

Targeted Grade Level: Second

Subject(s) Focused On: Reading/Writing

Tools Used: Osmo Words & Virtual Reality

Synopsis: Students will take turns playing with the Osmo word game as well as the virtual reality goggles. After they finish using the tools/toys, they will then go back to their desk and write a story about what they observed using two to three of the words they made while playing the Osmo word game. This lesson gives them the opportunity to be creative while taking their story whichever route they want.
